Registration of this trade mark shall give no right to the exclusive use of the word "ITALY" in its geographical signification, separately and apart from the mark. The mark consists of a product packaging design affixed to a three dimensional bottle seen from the front and the back. At the front and top center of the body, the word "ITALY" is embossed below the shoulder of the bottle, and at the front and bottom center of the body, the literal element "G.Q.D.I." is embossed above the heel of the bottle.

The design on the body consists of five rings arranged on the bottle such that, from each angle, portions of the rings are seen on the exterior surface of the bottle and the remaining portions of the rings are seen through the bottle. From the front view of the bottle, two of the rings on the exterior of the bottle are partially visible on the right side, and one of the rings on the exterior of the bottle is partially visible on the left side. The remaining portions of the rings are visible through the bottle. From the back view of the bottle, all five rings on the exterior of the bottle are visible; one ring on the exterior of the bottle is completely visible and portions of the remaining four rings on the exterior of the bottle are partially visible. The remaining portions of the rings are visible through the bottle. The dotted lines depicting the outline of the bottle and the contours of the bottle are not part of the mark and serve only to show the position of the mark on the goods.

The applied-for mark represents a 3-dimension image of unique outer appearance of a bottle for alcoholic beverages produced by the applicant. The body of the bottle is of rectangular shape with slightly rounded edges; the sides are of similar width. The distinctive feature of the mark is the original and eye-catching design featuring the ornaments embodied/embossed in the glass of the bottle surface being the following: • Form of a waving lines continuously crosses all sides of the upper part and lower part of the bottle. • Embossed devices on the right and left sides of the bottle decorated identically. Each side is decorated by a composition with a stylized reproduction of a plant in the center. This element is located between two vertically oriented decorative elements with rounded upper and bottom parts. A decorative element reminding a semicircle with five dots and with a small semicolon figure is below. The bottom part of the bottle sides is decorated by a horizontal line. The upper part is decorated by a composition of small vertical

elements comprising semicircle with a decorative element in a form of a pyramid with rounded left and right ends. • On the front side of the bottle, a label is affixed reproducing on its top a human head, an agave leaf in its middle, a device in circle on the bottom left of the label and figurative elements like a frieze all around the label. • Agave leaves drawings are reproduced on the neck of the bottle. • On the top, a device in circle is reproduced on the cap.
