The following statement serves as a disclaimer for the trademark logo of Big 5 Wines: At Big 5 Wines, we believe that every wine grape variety possesses a distinctive character, much like the unique traits found in our big five animals. In alignment with this belief, we have chosen to associate a specific grape variety with each of these animals. It is important to note that these associations are made solely for the purpose of creating a symbolic connection between our wines and the characteristics of these magnificent animals. The associations should not be interpreted as a direct representation of the animals'

behavior or attributes. While we strive to ensure that our wines reflect the best qualities of the grape varieties and maintain a commitment to quality, taste, and craftsmanship, the associations with the big five animals are purely symbolic and do not imply any endorsement or sponsorship by these animals or their respective organizations. Furthermore, the use of the big five animal imagery in our trademark logo is intended solely for branding and marketing purposes, and does not imply any affiliation with or authorization from the organizations or entities associated with the protection and conservation of these animals. We appreciate your understanding of the symbolic nature of the associations between our wines and the big five animals. Enjoy our wines responsibly and savor the unique flavors that each grape variety has to offer.
