The trade mark is three-dimensional and consists of the distinctive shape, ornamentation or configuration of a bottle, as shown in the representation of the mark. The trade mark consists of the shape of a bottle for liquids featuring a wasp-waist, the bottle having a relatively narrow mid-section, and relatively broader and rounder upper and lower sections, with the upper section featuring a rounded top curve leading toward the neck. The bottle features a circular base and a plurality of longitudinally extending ornamental grooves which terminate near the upper and lower ends of the bottle. The shape, ornamentation or configuration is each separately an essential feature of the mark. The colour blue is not an essential feature of the mark and, in use, the mark can appear in any colour, or combination of colours. A physical sample of a bottle incorporating the mark is available at the offices of the Applicant's chosen address for service and has been deposited with the office of the Registrar FILED: 2023-12-18
