The mark EXO, as depicted in the representation accompanying the application, consists of a motion mark that begins with a white background and a white spherical 3D glyph "e." This glyph is composed of two thick, interconnected crossed rings with a square cut. The shape then starts to rotate, turning towards the camera, forming a glyph "x," and freezes for a second. Next, the shape rotates slightly downward, creating a heart shape in its top half, and again, it freezes for a second. Afterward, the shape and its rings resume rotating, forming the glyph "o," which freezes for a second. Subsequently, one of the rings makes a rotation, once again forming the glyph "e," and the entire animation loops from "e" to "e." Exo mark material palette can be edited to represent the brand houses and entities within.
