downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and

transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs); downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices; on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles,

fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle hvac systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain. in the name of Mercedes-Benz Group AG, a German Public Limited company, Mercedesstrasse 120, 70372, Stuttgart, Germany. downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting apparatus for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, parts and fittings for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, seat covers for vehicles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle hvac systems, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle parking and storage, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicle seats for children, vehicle tyres, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, vehicles wheels and rims, vehicles and bicycles, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, heating, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking

to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, ventilating and air conditioning and purification equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lighting and lighting reflectors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, navigation devices, optical devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, enhancers and correctors, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, safety, security, protection and signaling devices, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, hand operated tools and implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, lifting tools, moving and handling equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, protective and safety equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, refrigerating and freezing equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, time instruments, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for

access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, digital animated and non-animated designs and characters, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, avatars, digital overlays, skins, including for access and use in online environments, virtual online environments, extended reality virtual environments; computer software platforms for downloading software, data and image files from the internet; downloadable mobile applications for providing access to crypto-collectibles, crypto-art and application tokens; downloadable software for processing digital images, graphics and text; downloadable software for engaging in social networking and interacting with online communities; downloadable virtual goods, namely, computer programs featuring non-fungible digital asset tokens used with blockchain technology to represent a collectible item for use online and in online virtual worlds, online virtual environments, and extended reality virtual environments; downloadable digital collectibles, namely, audio recordings, video recordings, image files, music, and multimedia files containing artwork, text, audio, images, or video featuring collectible items authenticated by non-fungible tokens (NFTs); downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, animal furs, blankets, carpets, rugs and mats, goods made of textiles and fibers, mats and carpets, textile goods, luggage, bags, wallets and other carriers, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, paper products, stationery, writing implements, body cleaning and beauty care preparations, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, cleaning and fragrancing preparations, household utensils for cleaning, material treatment, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other smart devices, and point-to-point communication equipment on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, trading cards, umbrellas and parasols, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, audio/visual and photographic devices, audio devices, film and video devices; on a blockchain; downloadable computer software for accessing, reading, and tracking information in the

field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, parts and fittings for vehicles, seat covers for vehicles, vehicle hvac systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, on a blockchain; downloadable computer software for accessing, reading, and tracking information in the field of digital collectibles, audio recordings, video recordings, image files, music, multimedia files containing artwork, text, audio, images, or video, virtual goods, namely, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments on a blockchain. in the name of Mercedes-Benz Group AG, a German Public Limited company, Mercedesstrasse 120, 70372, Stuttgart, Germany.
